**ORDER**

**C.M.Appl.No.752/06**

This is an application seeking for condonation of delay of 219 days in filing the Civil Revision petition. In the affidavit filed by the Assistant Executive Engineer of the petitioner Board, in support of the application for condonation of delay, what is stated is that after receipt of a certified copy of the impugned order, sanction had to be obtained from the Board for filing the CRP and in this process there occurred a delay of 219 days in filing the revision petition and the said delay is due to administrative exigencies. There is no mention in the affidavit as to when copy of award was applied for, when it was obtained, when the copy was forwarded to the Board and when sanction was obtained. Without disclosing all those details, the mere statement that the delay occurred

in the process of obtaining sanction and that was due to administrative exigencies cannot be accepted as sufficient cause for condonation of delay of 219 days in filing the revision petition.

In the result, I dismiss this C.M.Application.

**C.R.P.No.745/06**

C.M. Application No.752/06 seeking for condonation of delay of 219 days in filing the revision petition is dismissed. Consequently, this CRP, filed out of time, is not maintainable and is dismissed.
